Tracy Lewis, ASA II, provided an overview of the Health and Safety Screener results summary for Head Start, Early Head Start and Early Head Start Child Care Partnership 1. Contra Costa County Community Services Bureau is required to conduct a review of each site serving children from this funding utilizing the health and safety screener checklist. Upon completion of the tool, (3) sites were found to have no areas for improvement. The remaining thirty-five (35) sites had a total of 164 out of 2135 items in need of improvement.
	Outcomes:
	Timely follow-up has been conducted for each item and actions have been taken to ensure child safety, representative of quality standards of Head Start and local regulation. Action plans have been implemented for any outstanding items in need of improvement.
	A motion to approve of the Health and Safety Screener results summary for Head Start, Early Head Start and Early Head Start – Child Care Partnership #1 was made by Emma Duran and seconded by Katie Cisco. The motion passed.

Administrative ReportsDivision ManagerFiscal	Katharine Mason, Division Manager, welcomed new Policy Council representatives and provided enrollment and attendance statistics for the month of August as follows: • Enrollment for the month was at 72% for Head Start, 98.10% for Early Head Start, 98.61% for Early Head Start Child Care Partnership #1, and 98.40% for Early Head Start Child Care Partnership #2. • Attendance for the month was at 86.05% for Head Start, 85.44% for Early Head Start, 89.06% for Early Head Start Child Care Partnership #1, and 85.80% for Early Head Start Child Care Partnership #2. Early Head Start programs are required to be enrolled 100% at every month, However, Head Start programs are allowed to be under enrolled in the summer when not all program options are in sessions such as part day part year program. We are required to be 100% enrolled 30 days from when all program options are in session. If enrollment is not 100% for three consecutive months, we may be subject to a corrective action plan to improve enrollment. Head Start program is mandated by the Office of Head Start (OHS) to have at least 85% attendance in all program models. In the event that attendance falls below 85%, the ERSEA Coordinator conducts an analysis and develops a corrective action for improving attendance. Research shows that for children to succeed in school and life, at least 97% attendance is needed – no more than 7 or 8 days of absence during the year.

TOPIC	RECOMMENDATION / SUMMARY

More information about CLASS will be shared during October's PC Meeting. CSB's Part-Day/Part-Year Head Start teaching staff returned to their classrooms to prepare for the new school year. CSB has planned and developed a new program to better orient and train teacher assistants trainees. The program started this summer. The teacher assistant trainees will spend their first 30 days under a master teacher supervision to receive a thorough orientation into the program. CSB held an All-Staff Development Day on August 28, 2019, at the Centre Concord. All CSB staff, including temporary employees, attended the all-day staff summit where the theme was wellness. The Administration Office and Childcare Centers were closed for the day.
